

EXISTING PLAYER CHANGING CLUB

If a player, who is already registered on the DLTC Directory, plays league, or is intending to play league for a different club, it is essential that the player would email the DLTC at ***dublinlawntenniscouncil@gmail.com*** with details of both the old and new Clubs so that the necessary amendment can be made to the player's registration. This can only be done by DLTC Staff. Thank you for your co-operation.
